### \* One Liners

"Instead of getting married again, I'm going to find a woman I don't like and just give her a house."

"The problem with the designated driver program, it's not a desirable job. But if you ever get sucked into doing it, have fun with it. At the end of the night, just drop them off at the wrong house."

"If a woman has to choose between catching a fly ball and saving an infant's life, she will choose to save the infant's life without even considering if there is a man on base."

"Relationships are hard. It's like a full time job, and we should treat it like one. If your boyfriend or girlfriend wants to leave you, they should give you two weeks' notice. There should be severance pay, and before they leave you, they should have to find you a temp."

"My Mom said she learned how to swim when someone took her out in the lake and threw her off the boat. I said, 'Mom, they weren't trying to teach you how to swim.'"

"The day I worry about cleaning my house is the day Sears comes out with a riding vacuum cleaner."

"I think that's how Chicago got started. A bunch of people in New York said, 'Gee, I'm enjoying the crime and the poverty, but it just isn't cold enough. Let's go west.'"

"My parents didn't want to move to Florida, but they turned sixty and that's the law."

"Marriage is a great institution, but I'm not ready for an institution yet."

"Our bombs are smarter than the average high school student. At least they can find Kuwait."

"Women complain about premenstrual syndrome, but I think of it as the only time of the month that I can be myself."

"You can say any foolish thing to a dog, and the dog will give you a look that says, 'My Goodness, you're right I never would've thought of that!'"

"If you can't beat them, arrange to have them beaten."

Advice for the day: If you have a lot of tension and you get a headache, do what it says on the aspirin bottle: "Take two aspirin" and "Keep away from children"

"Oh, you hate your job? Why didn't you say so? There's a support group for that. It's called EVERYBODY, and they meet at the bar."

### \* Room For Rent

Three guys stopped at a small Inn for the night and the guy at the desk said it would be \$30.00, \$10.00 each so they paid for the room and went to settle in. Shortly after the manager felt bad he had over charged the gentlemen so he sent the Bellhop back to the room to give them \$5.00 back. Feeling a little cheated, the Bellhop kept \$2.00 for a tip for taking them to the room in the first place and returned the \$3.00 back to the gentlemen. With the \$1.00 back each of the Gentlemen ended up paying \$9.00.  $3 \times \$9.00 = \$27.00 + \$2.00 \text{ tip} = \$29.00$  Where did the other dollar go?
